

(March, 2017)

Dear Parents in class J12,

It has been a pleasure to meet many of you already and also getting to know your gorgeous children. We've had a very positive start to the year!

I would like to extend an invitation to you all to connect with me and other parents in our class via Facebook. This will be an important avenue of communication between us all so that we can all be in the loop, so to speak. The purpose is for this to be a friendly and positive environment please.

If you have a Facebook account please *search, like and follow* us here...

Please note that it is expected of all parents, in accordance with the schools policies and procedures, when using social media in schools that:

*All messages sent through Facebook will be of a positive or informative nature, such as celebrations, positive feedback, upcoming events and reminders. Any feedback or questions about behaviour issues must be addressed face to face or via telephone. Parents are welcome to request a meeting or a telephone call via Facebook.*

Should you wish to make an appointment to see me, the most suitable time is Thursday or Friday after school until 3:45pm.

In the meantime, I look forward to communicating with you on Facebook.

Please also return the slip below

Kind regards,

Amanda Parnall
