

# Open afternoon at Pakenham Springs

## Crack the code is back!

Our next open afternoon will be taking place on Wednesday, September 13<sup>th</sup>, from 3:30PM to 4:30PM. This provides an opportunity for the students to celebrate the amazing learning taking place with their friends and families. Each year level will be showcasing some of their learning that they are particularly proud of from Term Three. In addition to this, we will have new Writing displays up, right across the school, and they look incredible!

Once again, your children will have the chance to go into the draw to win a scooter and helmet. All you need to do is to visit each Year Level Writing Display, marvel at the amazing work taking place, and identify the code word at each display. Once you have found all seven code words, rearrange them to identify the hidden message, fill in the form provided by the classroom teachers and place it in the barrel outside of the library. These forms will be available for collection from your child's classroom. The lucky winner of the scooter and helmet will be drawn at our last assembly for the year in December.

We look forward to seeing you on September 13!
