

EXPRESSION OF INTEREST

Parent Fundraising/Maintenance Support Group

Do you want to...

Help plan and run fundraising events?

Help keep our school grounds looking great?

Be involved in creating a real 'community feel' at Pakenham Springs?

We are looking for a small group of enthusiastic parents to help support our fundraising and school maintenance activities. This group will meet regularly (on a Monday afternoon from 2:30 - 3:15, fortnightly to begin) and will take on the organisation and running of events such as the Mothers Day / Fathers Day Stalls, raffles, sausage sizzles, working bees, etc. The role of this group is to support the fundraising and maintenance efforts of the school - it is not an opportunity to air concerns about the running of the school (it is expected that concerns are addressed through direct contact with the school or through involvement in School Council). This small group will hopefully be made up of representatives for each year level as well as additional people that can be called upon to help for specific events.

We would also like to hear from you if you would prefer not to come to regular meetings, however would still like to help out occasionally with making hampers, stapling raffle tickets, working bees, etc or by taking tasks home to complete.

If you have any questions/suggestions, please feel free to contact me at school or email: cotterell.renee.a@edumail.vic.gov.au

Renee Cotterell (Assistant Principal Years 4-6)

(Please return to school by Friday 10th March)

Parent Fundraising / Maintenance Support Group - Expression of Interest

Yes, I am interested in joining the Parent Fundraising Support Group and coming to regular meetings to help organise and run fundraising activities.

I cannot attend regular meetings but I would like to be involved in supporting the fundraising efforts of the school. I am happy for someone to call me when help is needed.
