Wednesday 8th February,

Dear Parents and Carers,

Welcome back to a new school year! It has been a great start, with students settling in quickly and learning about our school and their class procedures and expectations, as well as getting to know each other.

An important event at the beginning of the school year is our Meet and Greet Information Evenings. These sessions are very important for a number of reasons:

- An opportunity to meet our new Principal, Kerryn Baillie.
- An introduction to the Leadership team, the teachers in your child’s year level, and your child’s teacher.
- Information about important school procedures and policies.

Whilst we understand it is a busy time of year, we value our school and home partnerships as they are an essential part of your child’s learning. The information portion of these sessions will last for about 40 minutes; at the end of this time, there will be a chance to mingle and touch base with your child’s class teacher. During this time, they will give you an information sheet about your child that can be filled in and returned to school.

**These sessions will be held in the school gym:**

**Prep, Year One, Year Two:** Wednesday 15th February, 6pm to 7pm
**Year Three to Year 6:** Thursday 16th February, 6pm to 7pm

Please note that as this is a Parent session, students are not required to attend.

Looking forward to seeing you there,

**Leadership Team**
