NEWSLETTER
2016

As mentioned in the last newsletter, for 2016 we will no longer be printing ‘hard copies’ of the newsletter.

You can access the fortnightly newsletter on the school’s website: www.pakenham.springs.ps.vic.gov.au

If a hard copy is needed, a few printed copies will be available in the foyer.

All Tiqbiz subscribers will be notified when the newsletter is uploaded to the website.
Tiqbiz is an app that is available on many different devices and enables parents, staff and school to communicate.

We are currently using Tiqbiz for:
- Newsletters
- Class communications
- Events Calendars
- General updates and reminders

You can also access our Canteen menu and Uniform list, and much more!

We encourage every parent/guardian to download the free Tiqbiz app and register Pakenham Springs Primary. This app is available for iPhone, iPad, iPod, Android phone, Android tablet and Windows 8 computer.

www.tiqbiz.com

The first step is to download Tiqbiz to your phone, tablet, computer...or all of them.

- available on the App Store
- Google play
- www.tiqbiz.com

Once installed, follow the steps to tick on our school.
